

General Conditions Applicable to all Hardship Grants made by the Municipal Charities of Stratford upon Avon (MCSonA)

1. The grant must only be used for the purpose(s) specified in the application form and approved by the MCSonA. If the grant is used for any other purpose(s), without permission from the MCSonA, you will be required to repay the grant or give back to the MCSonA the items purchased with the grant.
2. You may not give any part of this grant, or the item/s purchased with it, to another organisation or individual.
3. If there is a change in circumstances which means that it is no longer possible for the grant to be spent for the purpose it was originally given, then you must notify the MCSonA immediately in writing. The Trustees will then decide what amendment to make to the award granted or whether the grant should be repaid.
4. If for any reason the grant cannot be spent in compliance with the MCSonA's conditions within a period of 6 months of the grant being awarded, then the MCSonA reserves the right to cancel the grant award.
5. The MCSonA reserve the right to require repayment if any deliberately false or misleading information is provided in support of the application.
6. The MCSonA reserves the right to visit your home to inspect the items funded by the grant, provided that reasonable notice has been given to you and the visit takes place during normal working hours of 9am - 5pm.
7. The MCSonA and its Trustees and Officers accept no responsibility or liability whatsoever for any actions, omissions, claims, costs or expenses arising from the grant and the use to which the grant is put by the recipient(s). In particular, notwithstanding the generality of the foregoing, no warranty is given or implied to the recipient(s) or to anyone else in respect of any of the following:
 - The health, safety or fitness for employment either on a paid or voluntary basis of any persons engaged in connection with any activity resulting from the grant application or grant award.
 - Any building, technical or other work associated with land or premises or the procurement or provision of goods, equipment and services, following the grant.
 - Any professional advice sought or accepted, following, or in connection with, the grant and its use.
 - Any expression of opinion or factual information given by any Officer or Trustee of the MCSonA in relation to any aspect of the grant.
8. The giving of a grant by the MCSonA under these Hardship Fund Grant Conditions does not create a contract with the recipient(s) and the recipient's(s') right to the grant cannot be enforced in a court of law.
9. The law of England and Wales governs these Hardship Fund Grant Conditions.

I agree to accept the grant conditions as set out above.
